

Welcome to the Institute!

The Storyverse Institute is designed to help you fall more in love with Jesus while equipping you for a lifetime with Jesus. This program is amazing because Jesus is amazing. And he has a track record of transformation.

Those who have completed the Institute have called it, **“Life changing!”** This is because we are simply putting you before Jesus as you see your story in light of his story.

By the end of the Institute, you will have:

- ✓ A greater **connection** with God
- ✓ A greater **clarity** with God’s word
- ✓ A greater **confidence** in life and ministry

The Institute takes the best of seminary-level training and makes it accessible. Every week we cover four major areas: Bible, Theology, Ministry Practices, and Soul Care. This is accomplished through video teachings, readings, assignments, and assessments. Pulled together, the Institute gives you a holistic look at all things Jesus.

Take a moment now and pray for the LORD to help you fall more in love with Jesus as he leads you through this program.

Reverse Classroom

The Institute takes a reverse classroom approached to learning. Every week, you complete the video teachings and assignments individually. Then the cohort meets to discuss, ask questions, and go deeper with God and his word together. We learn best in the context of community. The reverse classroom allows you to engage the content at your own pace and then connect with others going through the same material.
